All incentives are paid through DBT.

Mahaprayan

Background

- It is generally observed that vehicle owners including commercial & Govt. vehicle are averse to transport dead body as carrying of dead body in vehicle is considered inauspicious & taboo.
- Few old damaged vehicle engaged in this business charge exorbitant rates leading to huge out of pocket expenses for the family of the deceased.

The Scheme:

- It has been implemented in all the District Headquarter Hospitals, 03 Medical College & Hospitals, Capital Hospital, BBSR ; RGH, Rourkela ; SishuBhawan, Cuttack & AHRCC, Cuttack.
- Specially designed dead body carriers (DBC) were provided one each to the hospitals
- The District Red-Cross Society may decide the transportation cost (per kilometre) and service charge from time to time keeping in mind that it is mandatory to run the DBCs on no-loss no-profit basis.

Thank you
