### **GUIDELINE FOR ACCREDITATION OF PRIVATE INSTITUTIONS UNDER JSY**

#### **A. For Navajyoti KBK Districts :**

In order to increase choice of delivery care institution for pregnant mothers, health institutions in private sector need to be accredited by District Health Authorities for getting coverage under JSY. For this purpose, an inspection team shall be constituted with the following members:

- a) ADMO (FW).
- b) An Executive Magistrate (to be nominated by Collector).
- c) District Programme Manager-Convener.

- (1) The above team will visit all the private health institutions existing in the district which have been registered under Orissa Clinical Establishment(C R) Act 1990(Amended in 2006) and renewed up to date, and conduct detailed evaluation with reference to the parameters fixed. Each parameter in the evaluation form has been assigned a weight (mark) and marks will be awarded for each of them as per the field verification. The total marks secured by the institution will be arrived at by adding the marks secured for each parameter. The institutions will be ranked based on the total marks secured.
- (2) Only those institutions shall be accredited:
  - i. Which have full time doctors and paramedical staff.
  - ii. Which are not owned/managed by any Government doctor/paramedical staff or any of their close relatives.
  - iii. Which are not visited by any Government doctor or paramedics.
- (3) Once the inspection of the institutions are over, the result shall be put up before the ZSS Executive Committee under the chairmanship of Collector for taking a decision on accreditation of the institution. The following number of Private Health Institutions can be accredited as the geographical units:

National Rural Health Mission, Orissa

- (i) In Rural areas - Two institutions per Block.
- (ii) In Urban areas-
  - For district headquarters - Two institutions
  - For Sub-Divisional Head Quarters & Other towns-One institution.

The selection of the institution shall be made strictly on the basis of priority arrived at through valuation process if they are found suitable by the ZSS committee.

- (4) A large number of hospitals of following category are also available in different parts of the state like :
  - (i) Health Institutions belonging to Public Sector undertakings e.g. SAIL, NTPC, NALCO, MCL, OMC etc.
  - (ii) Hospitals belonging to Central Government Departments like Defence, Railways, ESI etc.
  - (iii) Hospitals belonging to Christian Missionaries.

All the above category of institutions can be accredited by ZSS. For this, the team constituted for the purpose can visit the institution to assess the facilities and manpower available with them as per the list prescribed and if found suitable may recommend for accreditation. However the limit on number of institutions which can be accredited in an Urban or Rural area will not be applicable to above category of institutions.

The requirement of production of genuine BPL Certificate (of last approved census) or SC/ST Certificate (issued by competent authority) will be strictly followed for delivery in all the above categories of institutions.

### **B. Accreditation procedure for other Districts :**

Only those institution belonging to categories mentioned above in paragraph 4 can be accredited for the purpose of getting coverage under JSY in districts other than those covered under Navjyoti scheme.
